

4. Career Aspirations

If you know, or have any idea of the career(s) you would like to persue when you leave sixth form or higher education, please state them in the box below. Some careers and university courses require you to have studied specific subjects at A-Level. This information will help us to identify any issues with your subject choices.

5. Higher Education Aspirations

Do you have aspirations to continue your studies beyond sixth form to degree level or further?    Yes                      No

If yes, please provide brief details of any courses or institutions you have already looked into, including their location. If no, please provide brief information about your intentions after you finish A-Level studies.

6. Programme of study

It is important that you complete this section as accurately as possible. The information you provide, along with other applicants will be used to block subjects against each other to best fit the needs of all applicants. If there is a subject that you would like to study that does not appear below, please tell us about it in box provided. Whilst steps to provide subjects where there is demand are taken, these are dependent upon the availability of staffing.

Using the course information available on the Sixth Form website (<http://sixthform.iss.sc>) please list the four AS subjects that you intend to study.
